

Guidance on answering questions

Question stating with - **List**:

- 1 word to a maximum of 1 line as long as your answer is clearly referenced and makes sense.

Questions starting with - **What, Where, When, Who, How, What, Which, How etc**

- These types of questions are testing your understanding of a subject. Use examples to help justify and demonstrate understanding.
- These should consist of around 30 words per per 1-mark answer.

Remember for an 8-mark question it should consist of 8 answers (8 x 30 words).

- Leave one blank line between each answer. For example:

Answer 1

Blank Line

Answer 2

Blank Line

And so on for the remaining 6 answers (if the outline is worth 8 marks).
